Honorable Chairman & Commissioners

2020 McIntosh County Operating Budget

### Fiscal Year 2020 Budget Message

Dear McIntosh County Officials and Citizens:

As your County Manager, it is my pleasure to deliver the McIntosh County Board of Commissioners budget message for the fiscal year ending September 30, 2020.

The most important law that the County enacts each year is the County's annual operating budget which, by law, must be balanced and I am pleased to present a balanced budget for all County funds. For the last several years our budget has run a deficit and had to be balanced using reserve funds, this year the projected revenues and expenses have been balanced.

The fiscal year ending September 30, 2020 budget is the eleventh budget I have worked on for the county. This is the first year once completed further cuts were not needed. This can be contributed to strong actions taken by the County Commission such as privatizing EMS, opening a C&D landfill and finding ways to increase reoccurring revenues.

The tax digest grew by 2.07% this year. While the County is still seeing little to no commercial growth, we have been able to manage within our budget over the last few years. Commercial growth is key to the County being able to provide its current services and possibly new services going forward without having to increase the millage rate. Over the last several years the County has been able to establish some new revenues to help offset the loss of tax revenue; however, many of these revenues were only one-time revenues in which we were able to build up a reserve fund. We will continue to explore ways to bring up other revenues and explore new reoccurring revenues within the County. At this time, we are in constant contact with both the Federal Government and State Government to try to offset some of the burden they place on us from owning the most valuable property in the state exempting it from local taxes.

The FY2020 budget has a 5% cost of living raise for every county employee built in and will take effect October 1, 2019. The FY2020 also provides some funds to continue to improve Eulonia Park as well as several other county facilities.

Health insurance for the County is still a major concern. Although we saved some during FY 2017, we saw a 6% increase in FY 2018 and an 8.1% increase in FY2019. As of August 1, 2019, our claims are still high, and I expect healthcare costs to rise again this year. This budget has a 10% increase built into it, which will take effect in April 2019.

During FY 2017 we started collecting funds for the 2016 SPLOST which was designed to improve the quality of living in McIntosh County and take some burden off the General Fund. We will continue to collect these funds throughout FY 2022. SPLOST funds are down approximately 26% to the projections that were made in 2016, however they are starting to creep back up over FY 2019.

In conclusion, I believe that this budget will provide the citizens with the same level of service as they have received in the past when the budget was much higher. We will continue to do an effective job operating the County with less and I look forward to guiding the County into the next fiscal year.

Sincerely,

John "Patrick" Zoucks  
County Manager
