Honorable Chairman & Commissioners

2022 McIntosh County Operating Budget

**Fiscal Year 2022 Budget Message**

Dear McIntosh County Officials and Citizens:

As your County Manager, it is my pleasure to deliver the McIntosh County Board of Commissioners budget message for the fiscal year ending September 30, 2022.

The most important law that the County enacts each year is the County's annual operating budget which, by law, must be balanced and I am pleased to present a balanced budget for all County funds. For the first time in my tenure with the County FY2020 saw a budget that did not need additional cuts once complete or did not have to be balanced with fund balance or reserve funds. This was also the case in FY2021 and remains to be the case based on projections for FY2022.

The fiscal year ending September 30, 2022 budget is the thirteenth budget I have worked on for the county. This is only the third year once completed further cuts were not needed. This can be contributed to strong actions taken by the County Commission such as privatizing EMS, opening a C&D landfill, taking an outside the box approach with health insurance, and finding ways to increase reoccurring revenues.

The real and personal property tax digest grew by 1.71% and 3.08% overall this year. While the County is still seeing little to no commercial growth, we have been able to manage within our budget over the last several years. Commercial growth is key to the County being able to provide its current services and possibly new services going forward without having to increase the millage rate. Over the last several years the County has been able to establish some new revenues to help offset the loss of sales tax revenue which is now beginning to climb; however, many of these revenues were only one-time revenues in which we were able to build up a reserve fund. We will continue to explore ways to bring up other revenues and explore new reoccurring revenues within the County. At this time, we are in

constant contact with both the Federal Government and State Government to try to offset some of the burden they place on us from owning the most valuable property in the state exempting it from local taxes.

The FY2022 budget is the first budget that includes a parks department which will be in charge of maintaining all the County's parks to include Ft. Barrington Park, South Newport Boat Ramp, White Chimney Boat Ramp, Susie Baker Boat Ramp, Blue-N-Hall Boat Ramp, Briar Patch Park, Eulonia Park, Sapelo Community Center, Future Park at McCullough Creek, Future Marina Site on River Road, and other outdoor parks as they are constructed. This County Commission has put outdoor recreation as a priority on their agenda with the pandemic that we are currently in.

Health insurance for the County is still a major concern. The county was able to save some money during FY2021 by selecting a new healthcare broker that has an outside the box approach to our health insurance. Where this budget does show a 10% increase in health insurance cost halfway through the year, I feel certain that our premiums will be reduced ultimately saving our most valuable asset (our employees) some money as well as the tax payers. The increase is just a placeholder for a worst-case scenario.

During FY 2017 we started collecting funds for the 2016 SPLOST which was designed to improve the quality of living in McIntosh County and take some burden off the General Fund. We will continue to collect these funds throughout FY 2022. SPLOST funds are down approximately 22% to the projections that were made in 2016, however they are starting to creep back up over FY 2021. A new SPLOST will be presented to the voters of McIntosh County during FY2022 and if passed these funds will start being collected in October 2022. If passed this will not be a new tax, but a continuation of the current 1% Special Purpose Local Option Sales Tax.

FY2020 saw the implementation of McIntosh County's first ever TSPLOST which was approved by the voters in November of 2019. These funds will be collected over the next 4 years and will address many of the County's transportation needs.

In conclusion, I believe that this budget will provide the citizens with the same or a better level of service that they have received in the past. The Commission and staff both have to be very cautious working with the FY2022 budget as we do not know what this year will bring in the way of natural disasters such as hurricanes or what the current pandemic may bring. We will continue to do an effective job operating the County with less and I look forward to guiding the County into the next fiscal year.

Sincerely,

John "Patrick" Zoucks  
County Manager
