2025 McIntosh County Operating Budget

### Fiscal Year 2025 Budget Message

Dear McIntosh County Officials and Citizens:

I hope this letter finds you in good health and high spirits. As we approach the end of another fiscal year, I am honored to present the Fiscal Year 2025 budget, marking my 16th year in preparing this crucial document. Each year, the budget serves not only as a financial plan but also as a guiding roadmap for our community's priorities and aspirations.

This year's budget reflects a 9% growth in the real and personal property tax digest, this growth is mostly on the residential side. Commercial growth is key to the economy of the county as it helps keep taxes lower for citizens by bringing up sales tax revenues and providing much needed jobs for our community. We as the County are dedicated to working with all the other governmental entities in the county to ensure that we are doing what is necessary to provide commercial growth within the County.

For Fiscal Year 2025, the General Fund will allocate \$19,228,656—an 11% increase over the FY 2024 budget. This increase demonstrates our commitment to investing in the future of our county and addressing both the opportunities and challenges we face. General Fund revenues within the FY 2025 budget include:

Taxes	\$11,832,620
Fines, Forfeitures & Court Fees	\$3,213,041
Charges for Services	\$2,218,983
Licenses & Permits	\$239,955
Other Revenues	\$1,724,057

A complete breakdown of the General Fund Revenues can be found on page 6 & 7 of the budget.

General Fund expenses within the FY 2025 budget include:

General Government	\$3,884,758
Judicial	\$1,718,353
Public Safety	\$10,212,377
Public Works	\$1,913,718
Parks & Recreation	\$889,733
Intergovernmental	\$609,717

A complete breakdown by department can be found on page 5 of the budget.

A key component of the FY 2025 budget is the provision of a 5% cost of living raise for all county employees. This adjustment is essential to ensure our salaries remain competitive with those in surrounding areas and to recognize the invaluable contributions of our dedicated workforce. Additional funding has also been set aside within this budget for enhanced public safety radio equipment that will allow improved communications within all of our public safety departments (EMA, EMS, E-911, fire, law enforcement, and school resource officers).

Nevertheless, we continue to face significant challenges, particularly concerning government owned lands in the county. We remain in ongoing discussions with federal and state governments to secure additional funding, especially given that they own approximately 95,000 acres of some of the most valuable property within our county.

In FY 2024, we did see an increase in state funding for state-owned lands, amounting to approximately \$724,000. We are hopeful that continued advocacy and negotiation will yield further financial support.

To address our financial needs, the FY 2025 budget will require the first millage rate increase in over 15 years, projected to be approximately 16%. This increase is necessary to cover significant rising costs over the last four years, including:

- **34.7% increase in salaries**
- **69.21% increase in liability insurance**
- **64.59% increase in worker's compensation insurance**
- **19.52% increase in health insurance**

Over the past four years, these increases have added \$2,628,210 in expenses. In contrast, additional revenue from the tax digest during this period totals \$2,020,283. The millage rate adjustment is essential to bridging this gap and ensuring we can continue to provide quality services to our community.

In FY 2023, we began collecting funds from the 2022 SPLOST (Special Purpose Local Option Sales Tax), designed to enhance the quality of life in McIntosh County and ease the burden on the General Fund. We will continue to collect these funds through FY 2028, with projected revenues totaling \$11,520,000 over the six-year period.

Additionally, FY 2020 marked the implementation of the county's first-ever TSPLOST (Transportation Special Purpose Local Option Sales Tax), a five-year program approved by voters in November 2019. These funds are designated for transportation improvements, including road paving, road maintenance, and sidewalks. In November 2024, voters will have the opportunity to approve a new six-year TSPLOST. This 1% sales tax helps keep property taxes lower by allowing visitors and travelers to contribute to our tax base.

I encourage you to review the detailed budget and participate in upcoming discussions. Your feedback and engagement are vital as we navigate these financial decisions together. We are committed to transparency and collaboration to ensure that our budget aligns with the needs and values of McIntosh County.

Thank you for your continued support and dedication to our community. Together, we will work towards a prosperous and resilient future.

Sincerely,

J. Patrick Zoucks  
County Manager
